Sarasota Yacht Club Opens Kids' Summer Camp Registration to the Public
Large Demand Leads to a Fourth Session, July 22-Aug. 2

SARASOTA, Fla. – (June XX, 2013) – Responding to strong demand for its popular summer camp program, the [Sarasota Yacht Club](#) has scheduled a fourth summer camp session, July 22-Aug. 2, and opened it to the public for registration. Age groupings are 5-7 years and 6-16 years.

“Kids attending our summer camp not only have fun, but also learn about the environment and how to be part of a team, as well as learn kayaking and paddleboarding,” says Amanda Holm, marina and water sports manager, Sarasota Yacht Club. “Our trained counselors also include two certified U.S. sailing instructors who can work with kids at all skill levels.”

The two-week session runs Monday through Friday from 9 a.m. to 4 p.m. Activities for the 5-7 year olds including swimming in the pool, cooking, fishing and arts and crafts in the mornings. In the afternoons, young campers can go sailing and learn more about local waters and wildlife. Kids in the 6-16 age group learn how to sail their own sailboat in the morning, with afternoon activities including swimming, kayaking, paddleboarding, fishing, cooking and arts and crafts.

“This isn’t like your average summer camp,” says Holm. “Our campers learn how to design and build boats out of recycled products and race them, as well how to make their own fishing line recycle bins. We really want them to learn to respect the environment while they are having fun.”

Registration for the session is available on the Sarasota Yacht Club website, www.sarasotayachtclub.org, or by going to this link: <http://sarasotayachtclub.org/Members-Site/Sailing/2013-Summer-Camp-Session-4-2612.html>.
